Vivian Peikin
Jaquelin Camp
Pamela Hale
Sue Groff

The CWG held its eleventh meeting in January 2018. Following the release of the Draft Environmental Statement (Draft EIS) and public hearing last year, the goal of the meeting was to talk about the outreach leading up to the hearing, discuss comments heard from the public and stakeholders, discuss the Final Environmental Impact Statement (FEIS) and outreach commitments during that process, and explain the next steps.

The attached PowerPoint provides details to those topics.
